Hi Mike,

Hope spring is treating you well. I actually took the family camping the first weekend in April. It was pleasantly uncrowded.

After reviewing, if you have feedback on my evaluations or questions, I'd really like to hear them. My evaluations are organized slightly differently from Glinda so there will be some rearranging. All this is draft work on the formaldehyde assessment so I'm fine if it stays within NCEA but not okay with sharing it outside of NCEA.

Hope all is well with you. I guess I'll miss you at ISEE (if they let me go!)

Tom

Thanks for thinking this through with me... Would be nice if your office was a few doors down and not 500 miles away..
Mike
